Dear Donny,

We've had some wonderful times this year despite a few stupid movies. They really didn't matter though, we still had a lot of fun. Remember our friend? And the people in the window?

It is in academics, honors, activities,

independently, learn important lessons
in team cooperation. In inclement

The **INDIVIDUAL** and his personal achievements and talents determine the success of our school. In academics, initiative and diligence characterize the student; in his face is reflected absorption in some favorite subject or serious concentration on one that is more challenging. On the field or the basketball court, faces portray stark determination—a striving for perfection in personal achievement and the ultimate goal of team success. Faces illuminated with pride and satisfaction are faces of those who have achieved excellence in some field of endeavor and have merited awards for their efforts. The moments of joy, sadness, laughter, anger, excitement, and victory are portrayed in our pictures; for these are the spirits of our school. It is to these students—the members of the four classes—who have experienced the excitement of a game well played, the anxiety of an approaching test, and the relief at the end of a trying day—that this book is dedicated.

Among the many summer jobs available to students is that of check-out girl.

During the summer, D.G.H.S. students were engaged in many activities . . . working out on the swim team, roasting in the sun, laboring at summer jobs, doing odd tasks around home, or just plain loafing. Thus limbered up by such healthy activities, vacationers were ready to face the beginning of school and its many problems and rewards.

Well, besides tennis there are always badminton, swimming, bowling, boating, fishing, and ping-pong.

## Fall excites school spirit

Freshman registration had its typical air of mass confusion as the new students battled with locker combinations and tried to find their classrooms. For the upperclassmen, however, registration was more repetition and everyone had fun catching friends whom they had not seen all summer.

School activities season set in with pies and piles of renewed homework, exciting football games under lights, the fabulous Homecoming Weekend, and numerous club activities. For the freshmen this was an initial period of adjustment, but soon the class of 1965 was an active addition to the student body.

Each year we select a person to represent the school during the winter.

During the winter, the student body elects a representative.

## Winter brings snow, finals, and dances

A blanket of snow covering everything, boots slushing through half-melted drifts, barren trees starkly silhouetted against a slate gray sky—this was a picture of the winter of 1967. Our thoughts wandered from dances and new fattetas and skis to the grueling mid-year exams which were fast approaching; the boys dreamed of snowball fights after school, and the next evening, home basketball game. After a whirlwind of activity, Christmas vacation came and went, and everyone returned with firm resolutions to work harder, study harder, and make the second semester *even* better than the first.

# atmosphere

Spring slipped in on the corner before anyone realized it and now it was warm, balmy breezes, azure blue skies, bright sunshine and plenty of spring fever. A sure sign of spring was a student leaning on his desk with a dreamy, far-away look in his half-closed eyes, thinking of all the delightful things he was going to do after 2:50 p.m. But in spite of this seasonal epidemic, many things were accomplished. The operetta, plays, last-minute term papers, farewell banquets, finals, and the completion of summer and college plans followed in rapid succession until the end of school was suddenly upon us.

It becomes a tradition for students to lean on their desks during the last days of school.

In the hallway, students often find the anticipation of the end of the year.

## Seniors say farewell to D.G.H.S.

Spring brings the sudden realization to the senior class that the end of high school life is near. There is much to do and little time in which to do it. Seniors feel justly proud of their accomplishments; but most minds are filled with nostalgic memories—the very first football game, club projects, Homecoming weekend, furious cheering at a basketball game, tests and term papers, favorite teachers—all the important and trivial events that have filled four years of their lives.

To make their final mark, seniors have the traditional potluck, Bermuda Day, Baccharate, and prom. As the class of 1967 attends graduation exercises, seniors are remembering all these things and many more; and with regretful sighs they turn from the familiar past to the beckoning future.

# Academics

Our alert, curious, and observant student body recognizes the value of a sound educational background. Classes are conducted with the serious intent atmosphere of learning, and the sincerity of the students makes the educational process a success. A wide variety of curriculums ranging from college preparatory to preparatory studies and aptitude studies are offered. The English and Math departments enable each student to receive the maximum educational benefits. Capable administrative staff, dedicated faculty, qualified counselors, and efficient service staffs all present an academically sound education at Downers Grove High School.

STEPHEN PICKREL  
SUPERINTENDENT OF SCHOOLS  
Lincoln, Nebraska, D1

# The Superintendent

During his five years as superintendent of grade schools and high school in Downers Grove Dr. Pickrel has provided wise and able leadership for establishment of a flexible education program suited to modern life and an expanding school population. Particularly progressive in Dr. Pickrel's program is the continuous evaluation and assessment of educational philosophies, teaching techniques, and course contents. He has developed a fine executive staff which functions smoothly and efficiently under his guidance.

Dr. Pickrel is a member of the American Association of School Administrators, the Illinois Education Association and the National Education Association. He is also a member of Phi Delta Kappa, national honorary professional fraternity.

## Able leadership

An important facet of Superintendent Pickrel's staff is his ADMINISTRATIVE ASSISTANTS: Dr. Charles Hammer, Personnel Director; Dr. Melvin Hetland, Curriculum Director; and Mr. Dean Snodgrass, Business Manager.

These executives are employed jointly by the grade school and high school districts to assist in the coordination and supervision of facilities and instructors.

# The Principal

Offering experienced professional leadership to a growing high school population, Mr. Johnson has completed his thirty-first year as principal. Although the ever-increasing enrollment, enlarged teaching and service staffs, and expanding curriculum place increased demands on the director of the high school, Mr. Johnson still finds time to work closely with students and faculty and to help individuals with personal and professional problems.

Aside from his demanding role as DGHS principal, Mr. Johnson is active in numerous professional organizations. This year he served as President of the Northern Illinois Conference of Supervision, and he was also Chairman of the Legislative Commission of the Illinois High School Association. Mr. Johnson is a life member of the National Education Association.

Mr. Johnson is assisted by an efficient administrative staff which works closely with him in coordinating the academic and extra-curricular functions of the school.

Mrs. Andersen, Assistant Principal and Dean of Girls, has completed thirty-eight years of service to DGHS. In addition to administrative duties, she works closely with girls and their counselors in all areas, giving particular attention to job and college placement counseling for senior girls.

Since last year, Mr. Guthrie has served as Assistant Principal in Charge of Instruction, climaxing his nineteen years of service to the school, first as a teacher, and more recently as a counselor and guidance director.

As an administrative assistant, Mr. Adams, Dean of Boys, is in charge of attendance and correlation of extra-curricular activities. He works closely with the boys and their counselors and successfully combines the duties of disciplinarian and counselor.

## Student welfare is the counselors' first interest

The GUIDANCE DEPARTMENT is rapidly expanding to meet the needs of the increasing enrollment of Downers Grove High School

Directed by Mr. Leon E. Pogue, the department introduced several improved methods during the 1961-1962 school year. Incoming students now receive counseling from the same person during all four years, and the weekly counseling class has been extended into the

sophomore year. Four counselors—Mrs. Helen Cleveland, Miss Almalee Greenlee, Mr. James Lind, and Mr. Stephen Oracka—devote their full teaching day to helping students with career and educational plans

The Guidance Department also administers aptitude, achievement, and placement examinations and plans supplementary programs, including Career Day and College Night

In the ENGLISH DEPARTMENT a carefully prepared program aims to improve the student's command of the language, the maximum effort of each student being made to his individual capabilities. Courses in debate, speech and journalism are available to interested and qualified students.

After extensive study by the staff headed by Mrs. Margaret A. Central, modern teaching techniques, new texts, and supplementary reading materials were adopted for all levels.

## Precision of thought is emphasized by the Math Department

The continued expansion of a concentrated math program was again stressed in the MATHEMATICS DEPARTMENT, headed by Mr. Edward L. Paine, this year. A thorough understanding of mathematical concepts emphasized by the School Mathematics Study Group (SMSG) course was presented in algebra, plane geometry, and intermediate math. Accelerated classes were again offered to students in each of the four classes as Downers Grove continues to train students according to individual needs.

Studies in the NATURAL SCIENCE DEPARTMENT provide a sound basis for future specialized studies and an understanding of practical applications. In addition to fundamental subjects of biology, physical science, chemistry, and everyday chemistry, college-level courses in biology and chemistry are offered to qualified students who plan to follow related careers. Also, for the second successful year, the modern physics course of the Physical Science Study Committee of M.I.T. is being taught in place of the traditional physics course. A continued improvement in laboratory facilities and teaching techniques is stressed in the department headed by Mr. Everett E. Holt.

Gary Johnson and Lynne Faris study a current world problem

## Students are educated on the past and present

Under a new director this year, Mr. Glenn C. Olney, the SOCIAL SCIENCE DEPARTMENT continued to enrich students' lives by acquainting them with the history and existing conditions of the world and its peoples. Psychology and ancient history are included in a wide range of courses. Every student is required to take American history as a junior; and to fulfill the additional social studies requirement, seniors choose from three different courses—sociology, international relations, and problems of democracy. With this background in social science, the individual will have a better understanding of both the world and social problems

## Language study broadens horizons

The FOREIGN LANGUAGE DEPARTMENT, headed by Miss Blanche Howland, has been expanded and emphasized in the past few years. For the last two years, the department has offered four years of instruction in each of four languages—French, German, Latin, and Spanish. The modern language laboratory, also a recent addition, gives students an opportunity to listen to native speakers, practice pronunciation, improve comprehension, and receive more individual attention. These advantages help the students develop fluency in a second language.

Mrs. K. F. Bennett  
Commercial Department

## Experience gained through commercial courses

The COMMERCIAL DEPARTMENT teaches both fundamental and advanced business techniques. Courses in personal typing, general business and bookkeeping establish a knowledge of basic skills and business attitudes. The more advanced courses of stenography, economics, office practice, advanced bookkeeping and commercial law provide practical experience for a career in business. Under the guidance of Mr. E. William Carr the curriculum educates future secretaries, accountants and executives, and establishes practical and useful knowledge for personal use.

# Practical Arts prepare students for future

The PRACTICAL ARTS program, developed and supervised by the Industrial Arts and Home Economics Departments, has continued to provide preparatory training for applied trades and vocations. Courses in electricity, wood working, drafting, auto mechanics, printing, and metal working offer a wide range of training in modern shops with up-to-date equipment. In home economics, girls study cooking, sewing, and home management; many of these girls go on into advanced courses in foods and clothing. The Practical Arts curriculum is headed by Mr. William R. Cleveland; Miss Vivian C. Vifquain is the chairman of the Home Economics Department. Practical Arts prepares many high school students to assume purposeful roles in today's society.

## develop physical fitness

Physical well-being is as necessary to the student as academic effort. The PHYSICAL EDUCATION DEPARTMENT, under the direction of Guy Wellman, recognizes this and makes every effort to develop student athletic skills and health. To achieve this goal, sportsmanship and the willingness to try are of importance. So, over and over the program of regular competitive sports, games and exercises are activities such as social and sports dancing.

The Driver's Training program, a vital part of the P.E. Department, prepares students to assume responsibilities as safe and competent drivers. Four weeks of classroom study provide the student with a basic knowledge of the car and the rules and attitudes of safe driving. With the aid of the Driver-trainer, the student becomes familiar with the fundamental operations of driving, while the final instruction consists of behind-the-wheel training. Several times each year state instructors administer the required test at school, giving students the opportunity to obtain their licenses.

# Students aided by Special Departments

Many SPECIAL DEPARTMENTS are in the curriculum advantages of the high school. The students make constant use of the benefits of these departments.

The library under the supervision of Mrs. Jones is important to the study life of the students. Equipped with reference material and supplementary materials of records, pamphlets and newspapers as well as a variety of books on all subjects, the library is an important source of information, education and recreation to the school community.

Mrs. Clara R. Searles, visiting counselor at D.G.H.S.,

helps students with personal problems which interfere with school work and spends many hours conferring with parents and students.

Mrs. Hitzeman, the school nurse, provides emergency aid for all high school students. She also encourages physical and dental examinations and keeps a record of all such medical information.

Quiet and organized study halls with good reference materials are an aid to every student. Mrs. Petersen has established such study halls to enable students to use free periods to the best advantages.

# Honors

A thoughtful student concentrates on a problem in mathematics. An athlete spends long hours in practice to perfect his skill in a chosen sport. An active upper classman devotes time and energy to the leadership of a school organization. Individuals at Downers Grove High School strive toward excellence in many fields as they display their pride in our school by carrying on the fine traditions of D G H S.

Students who are active in a chosen field of endeavor and possess excellent academic standing may be elected to one of the national honorary societies with chapters in this school. Scholarships and other individual awards are presented to students with outstanding academic records and top scores on achievement examinations. Numerous other awards in the fields of math, science, art, music, journalism, and club activities are earned by deserving students.

In return for their hard work, perseverance, and abilities, the students represented in the following section of *Cauldron* are recognized by the faculty and students for superior accomplishment.

# Top scholars are honored

The seniors completed their senior projects and work this year with the help of their teachers. The top academic seniors in the class are Robert Jacob, Charles Koon, and Thomas R. Jones. The best of the class of seniors was Nancy Reth.

During the past year, four students were named as National Merit Scholars. They were named in the National Merit Scholarship Competition. Each year, the test. On the basis of this test, the top 10,000 applicants are named as National Merit Scholars. The students who are named as National Merit Scholars are named on the basis of their scores on the test. Additional tests are given to the students who are named as National Merit Scholars. This year, Michael Adams, Barbara Campbell, Nancy Rose, and Robert Tice were named as NATIONAL MERIT FINALISTS.

As well as the National Merit Corporation, these students were also extremely well known for their test scores. Under the selection process, the Corporation sends LETTERS OF COMMENDATION: this year sixteen D.G.H.S. students were named.

# Students excel in various fields

Each year the Downers Grove Women's Club awards to the most outstanding sophomore or junior in the field of art an ART SCHOLARSHIP to Allerton Park Summer Art School in Monticello, Illinois. During a recent session of the art school, Downers Grove students were joined by excellent teachers from the University of Illinois. Roy Knepp participated in the summer session and was chosen for this coming session of 1962.

The BAUSCH AND LOMB SCIENCE AWARD is presented to seniors who have distinguished themselves in the biological and physical sciences. This year Roy Knepp received this honorary medal for his outstanding achievement in biology, physics and chemistry.

Four D.G.H.S. juniors—David Boss, Cleora Keeler, Bruce Mayo and Ann Poling—were chosen by junior English teachers this year to compete for the NATIONAL COUNCIL OF TEACHERS OF ENGLISH AWARD. Selections were made on the basis of exceptional mastery of the language, test scores and class record. Next year top junior English students will compete for this award at state and national levels.

As encouragement for Downers Grove students to work toward scholastic excellence the American Association of University Women honors with MATHEMATICS AWARDS students who have received 4.0 grades for five semesters of math. Thirteen students were awarded the mathematics pin during the 1961 homecoming.

# Individuals receive recognition

This year, three students were awarded the AMERICAN FIELD SERVICE INTERNATIONAL SCHOLARSHIPS. Richard Chau from South Viet Nam is at Downers Grove as a member of the Cross Country team. During the summer of 1961, two students participated in the Americans Abroad program—Peter Smith went to Istanbul, Turkey and Barbara Thompson went to Sao Paulo, Brazil. AFS is sponsored locally by local committees and by the American Field Service in New York City on the basis of merit, financial need, and curiosity.

This year Downers Grove High School seniors from Downers Grove were Jane Kehoe, Rita Mitchell and Gail Robinett for the DAUGHTERS OF THE AMERICAN REVOLUTION AWARD. Bob Jacot, Tom Riddell, and Carl Wimmer were nominated by the seniors for the corresponding SONS OF THE AMERICAN REVOLUTION AWARD. Nominees were judged by the faculty on the basis of leadership, citizenship, and dedication. Winners were Gail Robinett and Bob Jacot.

 used at the colleges of their choice.

Eighteen students from all four classes were nominated by the faculty  
 to compete for the JAYCEE JUNIOR CITIZENSHIP AWARD. Of  
 these eighteen, seven students were selected by the Jaycee civic organiza-  
 tion as finalists. The Jaycees chose Jo Ann Saxton as the most  
 junior citizen from these seven on the following criteria: school, church  
 and community activities; scholastic ability; and leadership qualities.

What Patriotism Means To Me" was the thought-provoking theme  
 of the AMERICAN LEGION ESSAY CONTEST this year. Winners  
 in the competition were Karen Dudas, Sue Wagner, and George Adams  
 in the Freshman-sophomore division, and Steve Petersen, Dorothy  
 Rouffa, and Aija Ruda in the Junior-senior division.

In order to promote an active interest in the performing arts, the  
 Grove Players sponsor the CIVIC THEATER award for the student  
 most outstanding in dramatic arts. The student chosen by a faculty  
 committee receives a medal, a scholarship, and his name is engraved  
 on a trophy to be placed in the trophy case. This year's winner was  
 Renee Brabec.

## Activities

This year a wide variety of extracurricular activities at Downers Grove High School offered many opportunities for the individual student. These activities provided fun and enjoyment, and enabled the student to pursue his daily subjects beyond the classroom. Vital questions and problems in the fields of math and science were explored; while reading, foreign language, and writing clubs pondered modern literature and art. Students pursued hobbies from model railroading to photography, and sports-minded students took part in athletic organizations and created spirit at sports events. Large clubs offered various programs to meet the interests of their large memberships, while many smaller clubs functioned for the purpose of preparing students for future vocations. Students possessing musical or theatrical ability developed their talents by taking active parts in representative clubs. Through many clubs and committees, students performed significant services for the school. While developing special interests and working with others in clubs and organizations, each student played a vital role in the scheme of school life.

## Choir voices blend in harmony

The A CAPPELLA CHOIR, under the direction of Miss Barbara Barnes, is composed of seventy-five students selected for their outstanding vocal ability. Performing not only in seasonal concerts, the choir was entertained at other school and community events. The highlight of the school year for the A Cappella members was the annual performance this year. The A Cappella members, as a whole and in small vocal groups, participated in the district and state music contests where they were rated highly for their performance.

Sixteen exceptional, talented members of the chorus were selected for a marginal choir which sings where it is more expected that a small choir to perform.

The D.G.H.S. ORCHELSTRA each year, under the skilled direction of Mr. John Svoboda, presents many outstanding musical programs. Among these are half hour programs preceding the senior and annual plays; the orchestra also contributed to the Christmas concert and presented the annual community winter and spring concerts. Orchestra also gave two programs at student body assemblies of Herrick and O'Neil Junior High Schools to acquaint younger students with the orchestra.

Dedicated practice results in the exceptional quality of the orchestra's performances. Many orchestra members were winners in the district and state music contests. The orchestra besides providing music for school functions, gives a sense of pride and accomplishment to every participant.

## Orchestra presents fine programs

Under the direction of Mr. Clarence Shewmaker, the Downers Grove High School Band has accomplished many things. This year performing at many community dances, the band displayed skill and intricate marching formations. Through providing live high time entertainment the Downers Grove Band hoped strengthen school spirit at basketball games. In February, both the concert and cadet bands presented the annual winter concert, called Band Fest. The concert band in this presentation was directed by Dr. Conrad W. Bird. Since 1950 the high school band has played in inter-state competitions and has won superior ratings at each contest.

## Science Clubs probe secrets of nature

BIOLOGY CLUB provides a way for students interested in the biological sciences. This year Biology Club made several trips into the city to the Field Museum and also to the Harold Health Museum and the International Livestock and Horse Show. The club's sponsor, Miss Louise Krue, encouraged the students to create projects, the best of which were entered in the Chicago Science Fair.

The PHYSICAL SCIENCE CLUB, under the direction of Mr. Henry Krass, instructed its members in the marvels and machines of physics. During the year, programs were presented by Mr. George Lee of Western Electric who talked on Microwave Communications, and Dr. Harold Strain from Argonne National Laboratory who lectured on Paper and Column Chromatography. Also club members explained their current projects. Members entered many award-winning projects at the district and state science fairs.

RADIO CLUB meets weekly to discuss the principles and ideas of radio and associated topics. Members learn to send and receive messages in Morse Code, and they also learn the operation and care of the technical equipment. By the end of the year members gain enough valuable experience to earn their amateur radio licenses. The club is under the sponsorship of Mr. Karl Price.

MODEL RAILROAD CLUB members, under Chief Engineer Mr. George Toler, spent a pleasant and profitable year in learning the intricacies of railroading by handling narrow gauge equipment and visiting railroad centers in the Chicago area. The club's main project this year was completion of a fully wired operating model railroad layout with specially constructed accessories and scenery. Regular meetings were held every two weeks with extra sessions called to provide time for exploration of this fascinating hobby.

## Student Council

This year, D.G.H.S. students acquired a personal interest in South Viet Nam. Through the money raised by STUDENT COUNCIL last year, Richard Chau became the fourth American Field Service student to attend our high school. Also, through the AFS program, Barbara Campbell and Peggy Sandstrom were exchange students to Brazil and Turkey last summer. The entire student body supported the AFS program by purchasing "Friendship Shares" through their homerooms.

Student Council, supervised by Mrs. Charlotte Andersen, Mr. Herbert Adams, and Mr. Phillip Bowers, sponsored many projects during the year: the annual freshman party; the turnabout dance, "Saigon Da-Hoi," in honor of our Vietnamese student; mixers after football and basketball games; AFS Day; Spirit Week; charity drives; school bulletin boards; and delegations representing Downers Grove in various West Suburban conferences.

The Student Council constitution was changed to increase the responsibilities of each homeroom representative; this change allowed Student Council to carry out its projects more effectively and to complete a successful year.

## Language Clubs

As world contacts broaden and distances between countries diminish, an understanding of the people of different nations is increasingly important. The four foreign language clubs, sponsored by the language teachers, promote this vital interest among Downers Grove High School students.

During the year the SPANISH CLUB watched movies about Spain and wrote to pen pals in Latin America. Programs were given by speakers from Spain and by guest panels of exchange students from Costa Rica, Mexico and the Dominican Republic.

GERMAN CLUB members gained an appreciation of the culture of German-speaking people through language movies, newspapers and magazines. A common interest in German and English created friendship between German students and their "Brieffreunde" (pen pals).

FRENCH CLUB members enjoyed slides, movies, and talks relating to the culture of France. As in the other modern language clubs, the French Club members had pen pals; this experience offered students fascinating glimpses into the lives of French boys and girls.

The annual LATIN CLUB newspaper *Alta Vista* was published as a joint effort of all Latin Classes. *Alta Vista* supplemented club meetings and provided informative material for students. For the first time, the eleven Latin Classes joined a national organization, the Junior Classical League.

Abstract: The purpose of this study was to determine the effect of a 12-week training program on the heart rate (HR) and heart rate reserve (HRR) of sedentary, middle-aged men. The subjects were divided into two groups: a control group (n = 10) and a training group (n = 10). The training group performed a 12-week training program consisting of three sessions per week, each lasting 30 minutes. The control group did not participate in any training. The HR and HRR were measured at rest and during maximal exercise at the beginning and end of the 12-week period. The results showed that the training group had a significant decrease in HR at rest and during maximal exercise, and a significant increase in HRR at rest and during maximal exercise, compared to the control group. These findings suggest that a 12-week training program can improve cardiovascular fitness in sedentary, middle-aged men.

## Math clubs explore infinity

Downers Grove High School's SENIOR MATH CLUB participated in a challenging program this year. Subjects under discussion were topology, set theory, algebra, and flexigation. The second semester included a study of computer programming consisting of a series of lectures by a prominent mathematician, Dr. Henry Thatcher, from Argonne National Laboratories. Sponsored by Mr. Edward Paine and Mr. John ... the club fostered competitive spirit as members participated in monthly local contests and the annual Mathematics Association Test.

Under the supervision of Mr. Lee Miller, freshman and sophomore mathematicians in JUNIOR MATH CLUB concentrated on extending the basic knowledge that they received in regular class sessions. Their study for the 1961-1962 school year included a course encompassing the manipulation and application of the slide rule, a more thorough discussion of the binary number system which leads into computer programming, and a regular obstacle course of numerical puzzles.

Many students in the high school give generously of their study hall time to assist in various functions of the school. Student volunteers serve in the library, the audio-visual department, the science laboratories, the administrative offices, and the language laboratory.

Students who serve as library assistants during their free periods belong to the **LIBRARY AIDES CLUB**. They may work at the loan desk, take attendance, pass books, shelf and arrange books and exhibits, and aid students in finding supplementary materials. The Library Aides Club meets monthly and offers service awards at the end of the year. At Christmas, a large book jacket tree is decorated by the Library Aides. The club, under the sponsorship of Mrs. Virginia Jones, is a valuable organization in D.G.H.S.

In 244-C is located Audio-Visual equipment for the entire school; in this room boys learn the mechanical operation of the machines used in all departments of the school. **AUDIO-VISUAL AIDS CLUB** members, under the direction of Mr. Paul Kluth, schedule the use of facilities and supervise utilization of the materials.

Taking absence slips, handing out announcements, distributing counselors' requests and messages, helping in the clinic and language and science laboratories, and assisting the deans, counselors, and faculty of the high school are among the duties of the almost one hundred members of **SERVICE CLUB**.

Students and faculty appreciate the generous assistance of these volunteer aids who help make the school function smoothly and efficiently.

## Fellowship characterized year in Hi-Y

Hi-Y, a Christian fellowship affiliated with the YMCA, functions primarily as a service organization. Although it is open to all high school boys, certain standards of age, citizenship are required of members. The two divisions, Fresh Soph and Varsity, are sponsored by Mr. Jack Bowles and Mr. George Pappas, respectively. The club with over 150 members is one of the largest boys' Christian organizations in the Greater area.

The entire club participated in selling hot dogs and soft drinks at the football games. This year the club participated in the Metropolitan Youth Conference and the YMCA University of Good Government in Springfield. Other major club activities included sports nights, an autumn barbeque, formal induction and initiation ceremonies and a spring picnic.

Because of the varied interests of its six hundred members, the Y-Teens, sponsored by Mrs. Jane Pommann, is divided into four sections: Travel Club, Charm Club, Social Service Club, and Career Club. Through special speakers, Career Club, newly formed this year, enables junior and senior girls to hear about everything from sororities to summer jobs. Another club division, Matin Service, a non-denominational worship, is held every other Tuesday morning before school.

The chief project of the club this year has been sponsoring a foster child, Nguyen Thanh Ngon, from South Viet Nam. Through the money which the club donates from its candy sales, Ngon is able to attend school and enjoy extra advantages.

Special events this year included the big and little sister "Cookie Shine," the big and little sister tea, freshman initiation, father-daughter night, and the mother-daughter tea.

This year, the annual turnabout, a Roaring Twenties costume dance, was presented in cooperation with G.A.A. on May 12.

The activities of the book club helped promote literary knowledge, interest and curiosity among the members.

## Seniors sponsor successful events

Problems of everything from refrigerating H me-  
chanical means to dealing with at least renting a festive  
crown to testing the acoustics of the underground track  
are solved by two sets of committees: H rooming  
Steering and Prom board.

On April 23, 1961, the HOMECOMING STEERING COMMITTEE and advisers Mr. Philip Flowers and Mr. Fred Moore decided on Autumn Nocturne as the theme for the 1961 Homecoming weekend. (The date is remembered because the afternoon meeting lasted for six hours.) Plans were made and materials were ordered for the big event during late spring and summer.

Decorations of abstract art carried out the unusual theme of this year's Senior Prom. The SENIOR CLASS PROM BOARD sponsored by senior counselor, Mr. Don Ingles, raised money for the dance by sponsoring the theme. Class of 1974.

Operations throughout the Homecoming and Prom weeks were the time and effort of these committees which helped to make the events truly memorable.

Memorable dances require careful planning and execution.

Autumn Nocturne created a memorable Homecoming weekend

## Homecoming mood

After long months of planning and preparation by the Homecoming Steering Committee, the big weekend at Downers Grove was a success. Festivities began Thursday night with the student pep rally. The highlights of the evening included the snake dance and the bonfire which burned the R.B. building to cinders.

Enthusiasm heightened as the pep band, sponsored by the Homecoming Committee, arrived for the latest Homecoming Parade ever assembled by the Trojan students. Under a cloudless sky and sparkling lights, a mammoth crowd of 3,000 watched as the Varsity crashed the football effort by a score of 26-0. The performance marked the Downers football season's last shut out in a row.

Between games the entire Homecoming Parade featured the grand prize Senior float, was appreciated by ardent spectators. The Homecoming Court was cheered by the audience at a finale ceremony.

Saturday night brought the finale of the weekend, the traditional Homecoming Dance. The theme "Autumn Nocturne" was depicted with the transformation of bass gymnasium into a fall park scene complete with pavilion and green park benches. At the evening ceremony, members of the Court were crowned before the Homecoming audience. Then in mid-night arrived the last of Homecoming was past.

## High Life handles school news

Every fourth Friday holds a special interest for Downers Grove High School students. At these times the *Herald Line* is distributed to subscribers and purchasers. After perusing the front page and then turning to the "Line" students read news items carefully to find mention of past events and future plans that are important and interesting.

In addition to planning and writing each paper the HIGH HILL STAFF sponsored by Miss Betty Lee Caessman is responsible for selling advertising and distributing copies. Some money making projects like the spring dartboard sale and the Halloween carnation sale are undertaken by the staff to secure funds for special equipment and extra cost features for the paper.

'Bleed' at page how up copy sheets and "proofs" are apparently meaningless words to anyone outside Room 25. But inside this room where the *Cauldron* is created staff members learn these and many other terms as they progress toward the completion of the yearbook.

Writing copy, scheduling and choosing pictures, designing layouts and developing theme and content, these and many other aspects of publication are carried out by the members of the CAULDRON EDITORIAL

STAFF directed by Mrs. Lois Dahl. The yearbook presents in pictures and print a memorable story of the school year.

THE CAULDRON BUSINESS STAFF, under the supervision of Mr. George Pappas, established a record in the sale of two thousand copies of *Cauldron*. Orders were taken during registration with the final sales campaign being conducted in October. Copies of *Cauldron* were distributed by the staff during the first week in June.

## G.A.A. offers sports and fun

The GIRLS ATHLETIC ASSOCIATION, sponsored by Miss Irene Krajewski, offers to its members a wide variety of sports and many social activities. The 1962 board began work in the early fall and successfully planned and presented the annual picnic, freshman party, Halloween party, mother-daughter Christmas party, faculty Christmas tea and daughter night. With the financial aid of other school organizations, G.A.A. again took charge of the annual D.G.H.S. at Christmas and sponsoring an enthusiastic door-leaving contest. Initiation of new members

was held at the end of the first semester and a splash party for the initiated members was held in March. G.A.A. and Y-Teens, the two largest girls clubs in the school, jointly sponsored a successful turnabout dance in the spring.

Participation has recently been added to the varied sports program in which girls participate daily. At the annual breakfast, local, state and national awards were presented to G.A.A. members for time devoted to the organization.

# Victory yells typify cheerleaders

We're from Downers, couldn't be prouder. The CHEERLEADERS express the enthusiastic sentiments of the entire student body at pep rallies and games where, with cheers and skits, they support the teams in victory or defeat. Because of their torrefactual yells and vivacious personalities, the cheerleaders, coached by Mrs. Delores Colton, inspire enthusiasm among the spectators at every football and basketball game. The eight cheerleaders on the freshman squad and the eight cheerleaders on the varsity squad spark excitement in the largest crowds that D.C.H.S. has ever had at its sports events.

Spirit squad in action makes the pep squad cheer with the practice.

## Sports

The athletic year of 1961-62 was a year like all years, filled with fond memories, that wonderful feeling of victory and that heartbroken feeling of defeat. It had its humorous, dramatic and tragic moments; it was cheering, happy fans, youthful in exuberance; it was a year that will not be forgotten. Ever colorful, and changing moods with the season, it was the exhaustion of a five mile run in September, the chill of a Homecoming in October, the swish of a basket in December, the sweating strain of a pin in January, the rhythmic pounding of track shoes in March, the soft thud of a baseball hitting a mitt in April, the quiet roll of a golf ball and the whisper of a tennis racket in May. It was a high school at play, carefree and yet concerned, rooting its teams to victory.

And yet it was a unique year, a turning point in Downers' history. Emerging is a true power, ending a decade of trophy drought; we are on the eve of the strong, with underclass squads bringing prize after prize home to the rapidly expanding DG coffers.

The loss of athletic director Julian Taylo through retirement ended a 20 year career in the Trojan palace as the grand fighter yields to able Steve Oracko. Guy Weisman who led up Trojan hardcourt and diamond teams for a decade is leaving to assume full time scouting duties for the Los Angeles Dodgers.

But with the new comes championship freshman and fresh-soph teams who will wear the Pony and Trojan uniforms for four years to come. Nevertheless, Downers can be proud of its existing varsity teams, as they consistently placed well in one of Illinois' toughest conferences.

Herein, then, is contained the story of this memorable year, dedicated to all of those who made it memorable.

Team mentor Dick Carstens and his three able assistants—Jim Lind, Steve (Duke) and newcomer Sig Harback—put together another fine varsity football season. The 1961 team equaled the '60 second place finish in the West Suburban Conference with the difference that this year Downers was forced to share the spot with York, as a result of an L7 upset.

Rumps came over Glenbard, Arlington, Riverside-Brookfield and Maine East. Naperville and York lost to the Trojans by just one point each, while Downers Grove, a Hinsdale speed and La Grange perseverance. The net result was a 6-2 season record, 146 offensive points—to all opponents 61, and four players named to the all-conference team. Bill Dett, Archie Crane, Bob Beightol and Dick Elliott.

# Ponies take WSC grid crown

Chuck Novotny's and the Ponies ended a seven-year championship drought by sweeping their first conference with six wins and one loss to don the WSC crown. Another victory was recorded in the season opener with Naperville. D.G. having the fastest conference backfield, the freshmen players won a 5-0 victory at it strong on the Homecoming game. Nevertheless, the Ponies rolled over Naperville. At home, Riverside Brookfield and Maricopa. Close victories were obtained from Hinsdale and La Grange and the first loss came from York.

Without good coaching, the potential of this squad could never have been fully developed. The Ponies were blessed with three outstanding leaders: head coach Chuck Novotny and line coach Jim Gamore (left background and foreground, respectively) and backfield coach Bill Walker (right).

The speedy backfield is illustrated with halfback-quarterback John Lombos (right) as he escapes from Hinsdale's Al Korda in losing, but thrilling moments of DG-Hinsdale battle. Lombos had 33 six touchdowns and two points after, for a total of 38 points to pace all Pony scoring.

# Frosh gridgers have good year

The Grove's two frosh teams got together to pile up a combined 11 record with the 115 faction turning in a respectable 5-1 performance. Highlight of the season for the Bobcats was Rudy Skul, who was a 400 meter over Glenbard West in the power. The 115 was at Hinsdale 18.

Lloyd Wasmer and George Feuerschweizer coached the "A" pack to a record seven Hoshole, but lost to Arlington, Rivers, Brewster and York in the process. They tied with Maine East in the season closer, 7-7.

The Ponies, coached by Jim Wallace, fared somewhat better, securing a third place conference berth and winning six out of eight duals. The two losses were to conference leaders Glenbard West and York. The speedy underclassmen brought home a first place trophy from the St. Charles Invitational, as Doug Gary and Larry Kraut finished 1-2. Greg Wright was sixth.

# But Ponies are champs!

From the moment that John Martinek sank the first Pony bucket with seven seconds to go at Naperville, to the moment that Jeff Schubert sank the last charity toss against West Chicago, one of the best frosh-soph hardcourt teams in DG history (the last was in 1953) thrilled Downers fans with a total of fifteen wins against only four setbacks. Emerging as WSC champs with a 12-2 slate, Lloyd Wasmer's "squirrels"—the smallest team in the conference—were forced to tie with York for the title.

Pacing the Pony attack were six players: Forwards Rick Varys, Don McGill and John Martinek; center Ray Chladek; and guards John Lounbos and Randy Thingvold.

Thingvold led in the scoring column with a 14.5 average before being sidelined with a broken foot. Chladek swept the backboards 227 times, to lead in that department.

Chladek and Lounbos were elevated to varsity for the Regional Tournament.

## Varsity matmen post winning season

Boasting seven veterans of last year's championship twelve, the Trojan matmen fell short of the 1960-61 record with a third place WSC finish, falling to La Grange and Hinsdale.

Hampered by the loss of Barry Granek and Jerry Rossi through injuries, the squad placed third in the District meet with four grapplers qualifying to continue: Dave Kerchner, Al Mejdrich, Wil Radell and Bill Sitton. Mejdrich and Radell qualified for the state finals by winning bouts in the sectionals and Mejdrich went on to take the state championship in the 133 lb. class.

All-Conference honors went to three Trojans: Kerchner, Radell and Mejdrich received the nod.

Named Most Valuable Player and All-Conference All-Star for the second consecutive year, State Champ Al Mejdrich posted a 72.67 record in four years at DGHHS.

Victory never comes without its anxious moments. Come Nov. 14 and 15, 1980, the tested grappler Bill Mottet gave the action.

Reeling out his Huskie opponent is a wayward Keith Johnson, whose 63 points at LaGrange gave the Ponies the conference championship.

Undefeated high point man Jim Gustafson appears crossed in showing his Huskie opponent what the score looks like.

## Sophs regain crown

After a years absence, the West Scarborough conference championship returned to Trojan land, as Cape Neverny put together another undefeated team squad posting a 14-0 season record.

Facing undefeated LaGrange, the Ponies were without the services of their undefeated co-captain Keith Strauss and 117 pointman Fred Ige. Nonetheless, Jim Gustafson scored a pair and added to other decisions in the high classes, a close 24-19 victory was recorded.

In putting together their perfect year, the underclassmen received 17 team points to all opponents, 17.

It was the third championship for the Ponies this season, and Nov. 14's second of the year, an impressive achievement.

# Tracksters pace spring sports

DG's underclassmen swept through the 1961 outdoor track season with an outstanding record of six dual wins with one loss to head up the Trojan under activities. The varsity squad also turned in a fine record with four wins and two losses. At the onset of the outdoor season, the Ponies clobbered Riverside Brookfield 108-10 to provide the largest margin of victory.

After a disappointing indoor season, the Trojans finally got underway in the last underground dual by whipping Glenbard East. They had previously placed seventh at the Morton Big 10 Meet, eleventh at the West Suburban Meet at Oak Park, and eleventh at the Naperville Relays.

The Ponies, with a nearly identical card, proved more successful, suffering their only loss out of four duals to Maine East. Taking a fifth at the Morton Invitational 10, the underclassmen slumped to a modest eighth at Oak Park, but bounced back by placing fourth at the Morton Invitational.

Then everyone held his hat as Downers opened its outdoor season by taking two duals from R-B, and finishing at R-B by placing fifth on the varsity side of the Conference Meet, while the frosh-soph placed second. LaGrange was the winner in both divisions.

At multi-team meets, Downers placed well, taking two firsts, three seconds, two thirds and a fifth.

A fresh, green ear of corn is being licked. Proviso, West twice, 84-11 and 83-35, taking a first in the Morton Invitational and winning a trophy for Willowbrook and Naperville, romped home with a 70 point total.

Next, Soldier Larry Urbik demonstrates how to use the M16. He went on to win in near record time.

One of several Frosh sensations, John Lounibos rounds final turn in relay contest. He's ahead, with no challenger in sight.

# Trojan diamond sparkles in 1961

Finishing with a season record of eleven wins and eight losses, DG pitching aces Jerry Kucera, Bill Gurican and Fred Munding provided several high lights during the 1961 season. The first came in the season opener with Willowbrook, in which Kucera allowed only one hit as Downers won 7-1. In the first game of a doubleheader with Glenbard West, Gurican pitched 15 straight innings for four and a half hours before the winning DG run was scored. In the second game, Munding led the Trojans to victory by hurling a two hitter. Munding also starred in the district and regional games by first whipping LaGrange with an 8-0 shutout, and then a 6-4 win over Lisle. Finally, in the first regional game, Munding led the DG nine to a 10-2 win over Naperville, with the obvious aid of the red hot Trojan bats.

With the use of some sophomores to plug the gaps Wellman left frosh-soph coach Warren Holbrook with some roster problems. But by calling on several fresh men, the Pony mentor found a fairly successful combination, establishing an 8-6 conference record to tie with Glenbard West for third place. In their only non-conference game, the frosh-soph nine whipped Willowbrook 10-8 in a real slugfest.

Caught in the player squeeze, frosh coach George Feuerschwenger had to be content with a team lacking experience. While attaining valuable experience, the nine established a 1-8 record.

With his eye on the ball, slugger Glen Wirtanen gets set to send the horsehide for a long, long ride.

## Trojan golfers up to par

Under the direction of Dick Carstens, the '61 golf teams enjoyed a good season, with the varsity squad capturing fourth place in the district meet and snaring a third in the West Suburban Conference, while the Ponies came through with a strong fourth

In varsity play, a new four lettered word was added to golfing vocabulary upon missing a putt: "Rats" with a rolling "r." It was apparently not used too often, however, as the team boasted a conference record of five wins and two losses, with an overall season record of 9-3.

The underclass squad was also successful, finishing 4-3 in conference play, topping off a season record of 5-4, a good showing considering the relative inexperience of the squad

## Trojan racket squad serves up good year

Tony Ivins, although he was the outstanding varsity tennis player, wasn't the only successful racket swinger last year, as the team's season record of 10-1 combined with second and third places in district and conference competition respectively, indicates

The sad part of the tennis story lies with the record of the frosh-soph division. For the second year in a row, the Ponies went winless, losing all twelve of their duals and placing eighth in the WSC meet with three points. Experience is expected to reverse that result this year.

## Classes

A well-organized class works as a vehicle for the student to present his own ideas and to learn from the ideas of others. It is the individual who inspires his class to action who learns to accept responsibility and who reflects the spirit of the school.

In his first year, the student strives to become an active participant in all phases of the school curriculum. Gradually he begins to widen his horizons, to expand his interests and activities, to experiment with new ideas and to accept small doses of responsibility. As time progresses, his responsibilities increase and his awareness of the importance of his role becomes more pronounced. He begins to exhibit the leadership qualities which he has shown. The student is experienced in his studies and is prepared for the future years and whatever they may bring. Thus it is that each student grows in his own way and contributes his share to his class and his school.

## Seniors

At the end of this first year at DCHS the class of 1959 can look back on many accomplishments. Many projects of the Junior Prom class included the all school dance, The Last Chance, annual class breakfasts, the Senior Prom, the Homecoming, and the Homecoming weekend, and the Senior Prom. The class was especially proud of winning the Homecoming football games for the last two years.

Excellence was also evident in the success of our students received awards in the National Meet Competition and numerous college and state teams were awarded scholarships. The variety of athletic teams and enthusiastic senior spectators spread throughout the campus. As in past years, DGS seniors capably handled the leadership of extra-curricular activities.

With sound academic background and training in dependability, leaders, and character skills during four years in attending D'Annunzio Grove Community High School, the graduates of this year are expected to meet the challenges of tomorrow.

# Juniors

During the year 1965-1966 the Junior Class continued to display the zeal and enthusiasm that characterized it during the first two years. As a unit the class constructed a prize-winning float for Homecoming demonstrating its ability to plan original ideas and carry them out effectively. The class also sponsored a successful Christmas dance the first dance to be sponsored by the class of '65.

More and more emphasis was put on academics and future plans as many juniors participated in College Night and Career Day. With this increased emphasis came a greater awareness of responsibility and the importance of excellence in all phases of school life whether it be studying for a final exam or preparing for the decorations for the next dance. For the Class of 1965 this year was a proving ground for its final year at DCHS.

# Sophomores

After a year of initial adjustment the Class of 1961 swung into action. The Class's first official activity of the year was an elective period in December. The sophomores began to take an interest in some of the serious aspects of school life and to start thinking of serious careers in relation with their future vocations.

From now on, it was shown in extra-curricular activities as well as in class, that their time was not to be spent in a few extraneous activities, but in serious work. The class has been supported in school functions, from academic to athletic interests and has played a great deal of class spirit in every activity. In all respects the Class of 1961 has proved its ability to accept up to the responsibility and success.

Dick Spoth, Eric West, and Keith St. stand behind the school's first student body.

# Freshmen

The Class of 1965 was not only one of the most active additions to the student body, but the largest yet. Consisting of approximately 700 students, it is a class with a great deal of school spirit and enthusiasm.

Paving the way toward strong class unity was the first all-class activity, the Freshman Party, which helped class members become better acquainted. In electing their class officers, the students chose those best qualified to provide sound class leadership. The freshmen chose special interest extracurricular activities, and they also proved to be enthusiastic supporters at all athletic events.

The Class of 1965 has definitely inherited the Deen-ers Grove spirit.

Dear Don,  
It's been loads of  
fun knowing you  
this year. You have  
made choir and m.y.3.  
loads of fun and you're  
a real swell guy. Stay  
that way please.  
Bonnie Rogers  
165

Dear Don,  
Best of luck to a real  
great guy! Orchestra has  
been loads of fun. It wouldn't  
have been the same without you  
and your ~~fun~~ violin.  
I will repeat my self and say,  
Best of Luck Always!  
Kathy Johanson

Dear Don,  
It's been a real  
pleasure having you  
for a friend this year.  
We're in math together  
times in math (this year)  
(this time when we talked about  
diff. components I mean)  
Hoping to have you in some  
of my classes next year.  
K. Luck McWillin

Dear Don,  
You have been one of the  
few people who have  
helped to make my  
Freshman year real nice.  
I can't begin to tell you the  
fun I've had with you, & Kay,  
& Tom (especially you) I'll always  
remember you & the wonderful  
times you've showed me!!

Love ya,  
(65) Linda (Tummy)

Dear Don-

It's been fun in sick  
ad drama club - this  
ad last year - Good luck

to a swell  
yuck!!! Good luck Melodie  
"Doe" will be

Don-  
I have really  
enjoyed knowing  
you for years. Each  
year we know  
each other in  
this way. was  
in a manner of  
fun - when  
you weren't  
in hospital  
But of each  
to a swell  
Bruce

HC

H. Don

When I sign here,  
it seems to me that I will  
leave you. D. G. & everybody  
but I hope I can leave  
from you about yourself  
& others in D. G.

Good Luck.

Ruthal Chen

I am, I've really  
enjoyed you and am  
glad you know  
you this past year.  
Good luck to you  
years to come.  
Holly Sademann

Don-

It's been fun  
having you in  
Journalism & Math  
this year - perhaps a  
little more of the first -  
in Math were not allowed  
to do any thing but work - oh well  
you're a swell kid but you've  
had your bad times -  
Hope you're completely  
better now  
See ya next year  
Pharm  
Mortensen

Don -

Well it's really  
been a great year. It  
was really a panic  
talking to you during  
6<sup>th</sup> period while I  
made up all my dumb  
experiments. Good luck  
in all the following  
years.

Barb

Bussman

Don -  
Keep up the good work  
and don't let the old  
stuff die like that. Never  
if you don't make it in '63,  
I'll see you in '64. Hey,  
write me in Hummer. This  
something. Boy is this ever  
a goofy. I'll always remember  
you as that guy  
assistant with my  
Vicki that  
"Dutchland".

Don,

To a great  
Physicist & an  
Partner & an  
excellent  
violinist.  
Good Luck,

Ron Vavruska

Don,

Remember, just thing I think of is the time we did the old piece for  
concert. That was my first experience with concert and since then I've  
improved somewhat. Thank goodness. Anyway, best of luck and  
have a nice summer.

Kenneth Brachman
